22<sup>nd</sup> March, 2021

Dear Parents and Carers,

Your child \_\_\_\_\_ of class \_\_\_\_\_ has been selected to participate in an intervention program implemented by the Lansvale Learning Support Team. The support will be provided in 15-30 minute intensive withdrawal groups of up to 5 students, and they will occur up to 5 times per week. These groups are flexible and students may be withdrawn from the program at any time, depending on individual progress. Participation in these groups are aimed at improving student learning in Mathematics and/or English.

**Punctual daily attendance is extremely important to allow your child to gain consistency in their learning and to achieve success.** Frequent absences or failure to attend school on time may result in your child being withdrawn from this intensive program.

In the past it has been observed that students who have participated in this program have gained greater confidence in their learning.

If you have any questions regarding the program, please do not hesitate to contact \_\_\_\_\_ for more information.

Yours sincerely,

Mrs Laura Karam

R/Principal
