What is your favourite part of the story and why?

School Holiday Activities P-2

Moving and relaxing

If you have space outside, practice a handstand or cartwheel or try one of the other ideas on this activity card using the QR code.

Let's make a tangram

Watch the clip to learn how to make a tangram via the QR code.

No cook playdough recipe

Click on the links to watch a video on how to make playdough.

Plan a party

Imagine hosting a party for your friends. Look through magazines or shopping catalogues and cut out food you would like to serve at your party.

Happy memories

Watch the video via the QR code and complete the activity. Think about a happy memory, draw a picture and write about it.

Throwing and Catching

GetActive@Home and learn some fun challenges!

Draw a Sunflower

Get creative and enjoy drawing a sunflower on this spring day with your family.

Origami

Have fun with origami and make some fish!

Sydney Aquarium

Watch some of the live stream videos from Sydney Aquarium. You might see the penguins taking a dive or the sharks being fed!

Museum Tour

Take a virtual tour of the Melbourne Museum. You can view the Dinosaur Walk, Bugs Alive or the Wild Animals exhibit.

Get Cooking

Follow the recipe, or try another, to make your own pizza dough! Add any toppings you like, bake and enjoy!

Board games

Create a board game with your family. Have fun!

Be An Artist

Draw some pictures or use some pictures/paintings you already have. Hang them up or display them where you are allowed. Invite your family that you live with to come and visit your art exhibit. Explain each picture to them like an artist would.

Aho! There!

Pretend you are a sea captain and take a virtual walk around the HMB Endeavour Ship.

Fitness

Do some exercise. Go on your bike, scooter or skateboard with your family. Or listen to your favourite music and create a dance with your family!
