Principal's Message...continued

A reminder -> Tell Them From Me Survey

Over the next few weeks we will be conducting The Tell Them From Me survey for parents. The survey asks parents and carers questions about different factors that are known to impact student wellbeing and engagement. Our community team will be available to assist parents in accessing this survey. We are encouraging all families to complete this survey. To access the survey for our school go to:
<http://nsw.tellthemfromme.com/lps2166>

A reminder -> Year 5 - Selective High School Applications 2024

Applications for entry to a selective high school in Year 7 in 2024 are expected to open on 18 October 2022 and close on 16 November 2022 at 11:59pm.

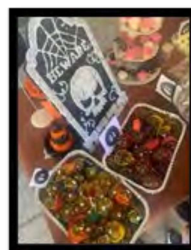

The Selective High School Placement Test will be held on 4 May 2023. The test will be paper-based.

More information can be found here -> <https://shsoc.education.nsw.gov.au/>

Halloween Baking Sale

Thank you to our wonderful P & C for organising the Halloween Bake sale. It was great to see so many wonderful treats on offer. Thank you to all of the parents who donated some items.

Are you moving elsewhere for 2023?

We are beginning to plan for 2023 classes. In order for us to be up-to-date with enrolments and staffing, we ask that families with students in Kindergarten to Year 5 who already know they will not be returning in 2023 to inform the school via phone call, note or email as soon as possible.

Commemorating Remembrance Day – Friday 11th November

On Friday our students and staff commemorated Remembrance Day by participating in Remembrance Day activities. At the 11th hour on the 11th day of the 11th month, our school honoured those who are serving, those who have served and those who have fallen with a minute's silence. Miss Tu also attended a Remembrance Day Service at Cabra-Vale Diggers with our school leaders.

Kindergarten and Preschool 2023 Enrolments

We would like to start welcoming any enrolments into Kindergarten or Preschool for 2023. If your child turns 5 before 31st July 2023 you are able to request an enrolment application from the school office. All families within our school intake area will be accepted, provided all documentation is submitted. Families can also complete their initial enrolment application online via our school website at <https://lansvale-p.schools.nsw.gov.au/>

If your child does not live within our **intake area**, visit **out-of-area enrolment**. Out-of-area **enrolment procedures** are subject to the department's enrolment policy.

Children attending our preschool this year will still need to follow the same enrolment procedures if they wish to enrol at Lansvale Public School.

Kindergarten 2023 Orientation

We are looking forward to welcoming our newest learners to big school in 2023. Below you will find a list of all upcoming Kindergarten transition days.

KINDERGARTEN 2023 ORIENTATION DAYS

IMPORTANT DATES:

Session 1 - Tuesday 18 October 9:30am - 10:30am

Session 2 - Thursday 20 October 9:30am - 10:30am

Session 3 - Monday 31 October 9:30am - 10:30am

Session 4 - Wednesday 2 November 9:30am - 10:30am

COVID-smart measures for schools

Information for parents, carers and students

We know that being together in the classroom is the best thing for our students' learning, growth and welfare. This term we will continue to implement several measures to allow us to prioritise both the wellbeing of our students and a consistent and productive learning environment.

Stay home if unwell

- If your child is unwell, you must keep them at home. If they are displaying COVID-19 symptoms, they should take a COVID-19 test (PCR or RAT) and follow the advice from the NSW Government on [managing COVID-19 safely at home](#).
- Your child should only return to school when they are symptom free.

Vaccinations

- Vaccinations for COVID-19 and other viral illnesses are one of the best ways of protecting yourself, your family and the community. Vaccination is a safe and effective way to give your immune system a helping hand against many illnesses.
- All eligible students and staff are strongly encouraged to keep up to date with their vaccinations to protect their health.
- All staff working in schools for specific purposes (SSPs) are required to be double vaccinated against COVID-19 or hold a valid medical contraindication.

Rapid antigen testing

- Rapid antigen tests (RATs) should be used if your child is displaying COVID-19 symptoms.
- Students who test positive to COVID-19 are encouraged to notify their school and register their positive test results with [Service NSW](#) to have access to timely advice and support from NSW Health.
- Schools will maintain a reserve stock of rapid antigen tests onsite for surveillance testing purposes in the event of an outbreak.

Hygiene and cleaning

- Students are encouraged to regularly wash their hands with soap and warm water, and to use personal protective equipment as required.
- Boosted day cleaning of schools will continue on high-touch areas and other hard surfaces, door handles, lockers, light switches and handrails in stairways.

NSW Department of Education

Ventilation

- Fresh air is the most effective form of ventilation to minimise the risk of transmission.
- During the warmer months, cooling will be used together with ventilation methods to balance thermal comfort.
- All learning spaces in government schools have been checked to ensure appropriate levels of ventilation and air purifiers have been provided where needed.
- Using outdoor spaces will continue to be encouraged where possible.

Masks

- Mask-wearing is strongly encouraged where possible for all students, staff and visitors, particularly indoors and/or when physical distancing is not possible, and if they have been exposed to COVID-19.
- Mask-wearing is required at all times for staff, volunteers and other workers who support our students who are at greater risk of serious illness should they contract COVID-19, whether they be in schools for specific purposes (SSPs), support units or mainstream classrooms.

Visitors

- Visitors can attend school sites regardless of their vaccination status.
- Visitors who are engaging directly with students in certain higher-risk settings for school operations and curriculum delivery and allied health partners for the wellbeing of students, may be required to wear masks.

Activities

- Health and safety risk assessments will be integrated when planning activities, including excursions and overnight camps.
- Parents and carers will be made aware of the risk of exposure and will need to give permission for certain activities.

Responding to local situations

- Schools will work with the department's Health, Safety and Staff Wellbeing case management team to respond appropriately to local situations, including outbreaks of viral illness.
- In some cases, schools may temporarily introduce additional measures as a 'circuit breaker', including requiring mask-wearing, postponing or limiting non-essential activities and directing cohorts to learn remotely.

Learning remotely

- Schools continue to have access to digital, guided and printed learning resources to support students who need to learn remotely.

For more info, visit education.nsw.gov.au/covid-19/advice-for-families

Telephone interpreter service

If you need further information please call your school principal. If you need an interpreter to assist you with your enquiry please call the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. Tell the operator the phone number you want to call, and the operator will get an interpreter on the line to assist you with the conversation. You will not be charged for this service.

The NSW Government is committed to ensuring school operations continue while prioritising the safety and wellbeing of students and school staff.

Marvellous Moments with Mrs Karam

Stay tuned for the next newsletter where I will share my visit from 4 different classes.

Year 1 Vietnamese Community Language with Mrs Ngo

Last week I had so much fun visiting Vietnamese Community Language classes with Mrs Ngo. The children in Year 1 were working in groups to learn various phrases and sounds in Vietnamese. The children were able to work together and I was very impressed with their bilingual language skills. I tried very hard to learn some Vietnamese words!

Year 5 Cultural Studies Group with Mrs Shun Wah

I had a great time visiting the Year 5 Cultural Studies group with Mrs Shun Wah. The students were researching a country and putting together a presentation. The students were able to share with me many interesting facts about their countries including significant events, culture and unique foods. I really enjoyed hearing about all of the things they had learnt. Well done! Thank you for letting me visit.

Have a great fortnight!

Mrs Laura Karam
Principal

Deputy Principal's Corner

with Mrs. Hutchinson, Mrs. Chau & Mrs Goulton

From Mrs. Goulton

2V with Miss Vu and Mrs Barry

Last week I had the pleasure of visiting 2V during a writing/ grammar lesson. The students were consolidating their knowledge of nouns and adjectives. Mrs Barry was assisting a small group of students and I also got to sit and work with some very knowledgeable young writers. It blew me away to see how confident the students were when distinguishing between some tricky nouns and adjectives. Do you know whether the word 'morning' is a noun or an adjective? Ask some of the students 2V and they will be able to tell you!

From Mrs. Chau

At Lansvale Public School, not only are our students continually learning and developing their knowledge and skills, but our extremely dedicated teachers are too. Teachers at Lansvale Public School consistently attend professional learning to hone their teaching skills to cater for their students' needs.

This past week various groups of teachers have taken part in professional learning in the areas of the Creative Arts, Autism Spectrum Disorder and guided reading using decodables. Miss Su and Miss Hoang upskilled our teachers in music and visual arts on Tuesday afternoon. Their engaging session could be heard well outside the walls of our school hall! In fact, you could occasionally hear them in the library where another group of teachers were learning about how to cater for students on the Autism Spectrum. This was facilitated by the Fairfield Assistant Principal Learning and Support, Terina Hamilton.

Lansvale Public School

Yesterday, a group of brave Kindergarten students demonstrated their reading skills to our Kindergarten, Year 1 and 2 teachers in the APC&I room. Teachers observed what components of English are covered in a guided reading session. Our wonderful kindergarten students did their teachers proud! They read unfamiliar books, discussed the contents of the book as well showcased their ability to spell unfamiliar words using their knowledge of phonics. Thank you Irene, Danny, Shaneekah, Caitlyn and Vincent!

Preschool Newsletter

Our preschoolers had an amazing time at Centennial Parklands. This is our first excursion in a very long time and the staff and children enjoyed the sensory program run by the incredible park rangers immensely. We began our day enjoying the bus ride before we arrived and had lunch. The rangers then took us on a bush hunt where we found lots of fruit bats and a possum in a tree. We then went on a minibeast hunt where we found dragonflies, caterpillars and spiders. After that we played some games before we got to see some taxidermies. Finally it was time to go home, we were all so tired that most of us had a little sleep on the bus ride home.

Transition to School

This week we conclude our transition to school program. A big thank you to the kindergarten teachers for taking such great care of our preschool children. They have become more familiar and confident in the past few weeks and we know that they will have a smooth transition to Kindergarten next year. Our wonderful preschool teachers will continue to support the children's transition by visiting the school grounds such as the canteen, toilets, office, playground and bubblers to deepen their sense of belonging.

Student teachers

We are so fortunate to have to have amazing student teachers - Ms Jenny and Ms Sierra from Sydney University. They have been working hard to plan engaging experiences for the children. Some of the experiences they have implemented include making stories with the Ipads, counting and number recognition and exploring sea creatures. We can't wait to see what other amazing activities they have in store for us next!

Concert Practice

We are currently busy practising for our end of year concert. Our children will be putting on a grand performance and they can't wait to show you their amazing dance moves. We will send out invitations to our families closer to date but in the meantime please pencil in December 13th for our Monday and Tuesday group and December the 15th for our Wednesday/Thursday/Friday group.

2022 ICAS Assessment Results

This year some students from Lansvale PS participated in the 2022 ICAS Assessments. Students across Australia, New Zealand and the world take part in assessments that target students' higher-order thinking and problem-solving skills in English, Mathematics, Writing, Science, Spelling and Digital Technologies. We would like to recognise and congratulate the following students on their wonderful results in the ICAS assessments.

Newsletter

A message from your Coordinator

My Dearest Parents, Families and School Community,

First of all, my most sincere apologies for taking such a long time to send out a newsletter. I will do my very best to get back on track with everything.

Welcome back to Term 4, I know we are already four weeks in but there are a few families that have joined us since the last time.

I would like to begin by giving a big shout out to a couple of parents who are making big impact with the families outside of OSHC. Kim Hoang and Tri Nguyen have been making connections with their children's friend's families hence they have been organising outings on the weekends and the school holidays. The children at the service have been getting excited to see these parents and another parent that clearly has been popular is Truong Le as the children get very excited to see him.

This weekend Kim and Tri had organised Halloween Picnic this past Sunday at Minnehaha Falls. This will get the children outdoors and into the fresh air. <https://pioneerwalks.com.au/walk/minnehaha-falls/>

Next week we will be doing our recycling program but this week we will be having our evacuation drill. See you at the service! Kind regards, Zehra

It's free to register

To attend our program, you must register your child. You can register an account with us at pp.campaustalia.com.au or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.

Activities coming up

- Playdough
- Evacuation Drill
- Learning how to express ourselves with our friends

What's on the menu

- Pancakes
- Sweet Noodles
- Savoury Noodles

Visit our blog

New articles are added each week for parents and cover various topics to help families.

Let's measure!

Measuring things in the home

Materials Required

Loose parts (multiple pieces) - e.g. Lego pieces, small blocks, sticks, pencils, crayons, straws, forks, spoons, pegs, string, paper rolls etc.

Shoe box or container to collect loose parts

Objects to measure: Toys, shoes, boxes - anything you have to measure

Paper, crayons, textas, pencils

Optional materials

string, wool, paper, crayons

Chancery Street, Canley Vale NSW 2166

9724 5252 lansvale-p.school@det.nsw.edu.au

Website www.lansvale-p.schools.nsw.edu.au

Lansvale Public School

What to talk about, or questions to ask during the experience

- How many _____ (loose parts: e.g. Lego pieces) do you think it will take to measure this?
- Let's count how many _____ (loose parts) it takes to measure this.
- What else can we find to measure?
- Let's compare - which one do you think is the longest?
- Let's compare - which one do you think is the shortest?
- Let's compare - which one do you think is the tallest?
- How can we find out?
- What else can we use to measure?

Supported Playgroups create new opportunities for children to learn, and become more actively engaged through play and creativity. Children become more confident and positive through their involvement in supported playgroups.

Children at playgroup develop a range of skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching, and investigating.

Chancery Street, Canley Vale NSW 2166

9724 5252 lansvale-p.school@det.nsw.edu.au

Lansvale Public School

Come along and join our playgroups for a fun interactive learning morning. If you have children aged 0 to 5 years old and would like to participate in our supported playgroups please come and see Rose Raslan at the front office or you can call on 9724 5252. To ensure safety of all students, parents and staff follow Covid safe guidelines.

LPS Playgroup on Tuesday made creative crepe paper designs to wear.

Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination, and reflexivity.

Parenting Workshops

Parent Workshop

Come and join Speech Pathologist, Annitha Arulventhan, from Fairstart Early Intervention as she presents a **FREE** workshop on how to promote early language development for children aged 1-5, discusses red flags to look out for and where to get help if your child needs extra support.

There will be an opportunity for parents to ask the speech pathologist questions at the end which will be free of cost to you.

When: Wednesday 16th of November between

9:15 am-10:30 am

Where: Lansvale Public School

37-45 Chancery St, Canley Vale NSW 2166

Bookings essential. Please call Rose Raslan on (02) 9724 5252 to register your interest.

External Agency Support

FREE early intervention program

Supporting good mental health & well-being of children, young people (up to 18 years) and their families.

Some of the things we can assist with include: ..

- Impacts of bullying
- Anxious behaviours
- Not adjusting to school
- Managing change
- Establishing routines in daily life
- Emotional supports
- Parenting support

We also run groups in schools and in the community

Strengthen children, young people, and families' emotional well-being by helping to build resilience.

The groups aim to assist with the following:

- Building respectful relationships
- Reducing anxiety for children
- Building self confidence
- Self-respect, and boundary awareness
- Dealing with emotions
- Playing and learning to socialise
- Managing loss and change

Together for a better future with Woodville Alliance

About us

For over forty years, Woodville Alliance has worked in partnership with communities in Western Sydney towards a fairer, more just society. We have Centres in Fairfield, Carramar, Villawood, Auburn, Liverpool, and Chester Hill.

Our strong value base of social justice and empowerment means that we work with a strengths-based approach, focusing on the capacity and resilience of all members of our community. We are proud to provide high-quality services for children, young people and families, people with disabilities, and people experiencing mental health concerns. We have particular expertise in working with disadvantaged and culturally diverse communities.

Our Mission

Woodville Alliance will work in partnership with our communities to identify and build on the strengths and develop the resources, capacity, and resilience of all members of our community. We do this by providing information, direct services, research, advocacy, and social action.

We would love to hear from you.

Contact us

If you would like more information about our services or would like to talk about a partnership opportunity please contact us by telephone (02) 9722 5200 or info@woodville.org.au
