11th May Week 3

# Principal Report = Term 2, Week 3

## Staff News

This week we welcomed some Pre-service teachers to our school, Mr Zhang and Miss Labbade. These teachers will be working with class 2V and 2L for 6 weeks. We also welcomed a Pre-service teacher into the Preschool, Miss Laiba. We know they will enjoy their time at Lansvale PS.

Mr Michael Finch our IT contractor will be beginning some leave over the next few weeks as he welcomes a new baby. We wish Michael and his family all the best for this exciting time. Mr Tim Mukri will be working at Lansvale PS while Michael is on leave.

## P & C Meeting

Our next P & C meeting will be held on Monday 23<sup>rd</sup> May at 9:15am. I encourage all families to come along. During this meeting I will share updates from our Strategic Improvement Plan. I'm looking forward to sharing this with everyone as we work together to support our wonderful children at Lansvale Public School.

## Mother's Day

A huge thank you to our wonderful P & C for coordinating the Mother's Day stall last week. Thank you for your time, effort and dedication to the wonderful families of Lansvale PS.

## Cross Country Carnival

Our annual Cross Country carnival was a huge success last week. The students also really enjoyed participating in the inflatable course that was hosted by Challenge2Bfit. We were thankful that we had nice weather and that the students were able to enjoy this day. Thank you to the P & C for selling various food items on this day. Huge thank you to our wonderful P & C for coordinating the Mother's Day stall last week. Thank you for your time, effort and dedication to the wonderful families of Lansvale PS.

### Network Upgrade

Over the last few weeks our school has received an upgrade of our entire internet network. This project was jointly funded by the Department of Education and will help to ensure that we have faster, stronger and more reliable internet access across our entire school. The final upgrade connection will occur in the coming weeks as we transition over to the new network. This will mean we will have no internet access for 1 day but once we are connected we will see many benefits across the entire school.

### SRE – Special Religious Education

SRE will be returning in Week 4. At this point we only have volunteers for Catholic and Buddhist Special Religious Education classes. If you know of anyone who is qualified and would be willing to volunteer their time to run lessons for Islamic SRE between 9am – 10:10am every Thursday at Lansvale PS please encourage them to contact the Islamic Special Religious Education organisation. More details can be found at <https://www.isre.org.au/>. Qualified volunteers would need to have a current working with children number (WWCC) and be double vaccinated.

### COVID-SMART

A reminder that if a student or staff member receives a positive RAT test, they need to:

- record the positive RAT result through the [Service NSW website](#) or [Service NSW app](#) – and add details of our school.
- notify the school of the positive RAT or PCR test result as soon as possible
- You can email the school at [lansvale-p.school@det.nsw.edu.au](mailto:lansvale-p.school@det.nsw.edu.au) or phone on 9724 5252
- follow [NSW Health advice](#) to isolate for 7 days.

### Attendance Email Notifications

As communicated to families last week we are now sending daily email notifications to all families with children who have an unexplained absence. Families are able to reply to this email informing the school office of the reason for their leave.

Letters will also be sent home to families if a reason has not been received within 7 days. If you have any questions about our attendance procedures then please contact the office.

## Applying for Year 5 entry to an opportunity class in 2023

Applications for Year 5 entry to an opportunity class in 2023 opened on Tuesday 26<sup>th</sup> April 2022 and will close on Friday 13<sup>th</sup> May 2022.

For more information about Opportunity Classes for 2023 and applications please visit: <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5>

All applicants are required to sit the Opportunity Class Placement Test held on **Thursday 28<sup>th</sup> July, 2022.**

## NAPLAN Online

Year 3 and Year 5 started NAPLAN this week. The schedule for the assessments is as follows:

Week 3		
Tuesday 10th May	Thursday 12th May	Friday 13th May
Year 3 Writing  Year 5 Writing	Year 3 Reading  Year 5 Reading	Year 3 & Year 5 Catch Up Assessment - Writing

Week 4			
Monday 16th May	Tuesday 17th May	Thursday 19th May	Friday 20th May
Year 3 Language Conventions  Year 5 Language Conventions	Year 3 Numeracy  Year 5 Numeracy	Year 3 & Year 5 Catch Up Assessment - Day 1	Year 3 & Year 5 Catch Up Assessment - Day 2

Students will be participating in practice tests in the lead up to the NAPLAN testing period. These will be conducted during school time, in test like conditions. There is a Public Demonstration site that can be accessed from home. We encourage you to allow your child/ren to practice at home so that they are confident in using the online functions and are familiar with the question types.

<https://nap.edu.au/online-assessment/public-demonstration-site>

Students may be exempt from NAPLAN tests if they:

- are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- have significant intellectual disability and/ or significant co-existing conditions which severely limit their capacity to participate in the tests.

## Principal's Message...continued

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, braille, coloured versions and electronic tests are also available to meet the needs of individual students. Access to disability adjustments or exemption from tests must be discussed with the school principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer after consultation with the school principal. To withdraw your child from NAPLAN, a parent or carer form must be signed. Please make an appointment with your child's teacher if you need to discuss your child's participation in NAPLAN.

Additional information about NAPLAN can be found at:

<https://www.nap.edu.au/naplan/parent-carer-support>

If you have any questions, please do not hesitate to contact the school.

## Kindergarten and Preschool 2023 Enrolments

We would like to start welcoming any enrolments into Kindergarten or Preschool for 2023. If your child turns 5 before 31st July 2023 you are able to request an enrolment application from the school office. All families within our school intake area will be accepted, provided all documentation is submitted. Families can also complete their initial enrolment application online via our school website at <https://lansvale-p.schools.nsw.gov.au/>

If your child does not live within our **intake area**, visit **out-of-area enrolment**. Out-of-area **enrolment procedures** are subject to the department's enrolment policy.

## Marvellous Moments with Mrs Karam

This week I visited 2 classes. It was great to visit classes and see our students learning so much.

## Year 6 - Vietnamese – Community Languages – Mrs Bui

I had a great time visiting our Year 6 students in Mrs Bui's Vietnamese Community Language class. From the moment I entered the classroom I could see how amazing our students are in using the Vietnamese language. Almost the entire lesson was in Vietnamese and it was great to see our students learning to read, speak and write in Vietnamese. On this occasion the students were learning about different types of food and drink. We chatted about our favourite Vietnamese dish and I really enjoyed my time with Year 6.

## Year 6 – Cultural Studies – Mr Tom Brazel

It was an absolute pleasure visiting Year 6 during their cultural studies time this week. The students have been working on different projects in groups. Each group is researching about a planet. I was able to visit the groups and learnt about the many interesting facts of the planets around us. I was very impressed with how well the students were able to work together to create a PowerPoint presentation. I'm looking forward to seeing the finished presentations.

Have a wonderful fortnight.

with Mrs Hutchinson and Mrs Chau

**From Mrs. Hutchinson**

**Books with Mrs H**

Boy, have I had a lot of fun this fortnight reading some of my favourite books to some of our lovely students!

I shared a book that I just adore with 4S called **"The Fantastic Flying Books of Mr Morris Lessmore"**. If you have not read this one yet, I highly recommend you grab yourself a copy or watch the animated movie which can be found by typing the book name into Google. 4S were engrossed in the tale and we had a great discussion about the joy that reading can bring to our lives. The illustrations in this book are second to none and are beautifully drawn- it really is worth a look!

I visited 3N shortly after our ANZAC ceremony so decided to share a true story about a French orphan boy who formed a friendship with an Australian soldier during World War I, titled **"The Little Stowaway"**. The book shares the beautiful story of their relationship and how the soldier, Tim Tovell, was able to change the boy's life forever. The best part about the book are the real photographs that are intertwined between the illustrations. The students in 3N loved examining the photos and loved that this was based on a true story.

I always love an excuse to go into kindergarten, so I was very excited to visit KL and read them a silly story called, **“There was an old bloke who swallowed a bunny”**. This story has the same rhythm as the nurse rhyme, *“There was an old woman who swallowed a fly,”* which the children were already familiar with. Before we started reading, I made sure to explain to the children that the word ‘bloke’ was another word for man. The kids thought that was very funny!

I also made it to 2W this fortnight as well- geez, I was busy!

I read to them a book my daughter picked out called **“The Tomorrow Book”** by Jackie French. This book has an environmental message

and it is even printed on recycled paper. After the book, 2W had a lot of questions and comments to make which I loved! They are a very inquisitive and interested class and it was fun to spend some time with them.

## Special visitors to brighten my day!

This week, I had some special visitors from KN to show me some fabulous writing about sunflowers.

KN students were so proud of themselves and very excited to be visiting the office. They were all able to write a sentence or two about what sunflowers need to grow and could read their work to me. I could not

help myself, I had to dig deep into my stickers stash to give them all two scratch and sniff stickers!!!

I also had two very special visitors from 2D who had produced some fabulous writing about the ANZAC day ceremony. Both Anna and Justin were able to read their recounts to me and could show me how they had revised their writing to make it better. How good is that? I love visits like this – seeing our students trying their best and celebrating their efforts makes me happy. It sure did brighten my day.

Congratulations to these students – I was so impressed! Keep it up and thank you for the smile you put on my face.

### Take that Number with 2V and 2D

It was so fun working with 2D and 2V last week. Students in Year 2 used their knowledge of numbers to flexibly add, subtract and multiply numbers rolled on 4 dice in a game called Take that Number! 2V were so excited to play the game, they managed to convince Ms Khuan to join us by chanting her name repeatedly. It was so wonderful to see the students so engaged and strategically thinking of ways to make target numbers. In the words of Michael (2V), "This is so fun! It doesn't feel like Maths." In fact, they enjoyed it so much they asked how they could play it at home with their parents. Ramah worked out that she could just make the numbers by writing them on paper and rolling a dice 4 times at home. If you would like to play this fun game at home, the instructions are below.

## Take that Number Instructions

Aim of the game – to collect more numbers than your opponent

(You will need: dice, cards (or paper) with numbers 1-24)

- The first player rolls the dice 4 times - write them down so you don't forget
- Use the numbers to add, subtract, multiply, divide to get one of the numbers on the cards - collect that number.
- Second player can choose to use the numbers that the first player rolled or can roll again.
- Use the numbers to add, subtract, multiply, divide to get one of the numbers on the cards - collect that number.
- If a player has rolled and cannot make any of the numbers left, they miss a turn.
- The play with the most numbers at the end wins.

## Year 2

In Creative Arts, we learnt about the details we can see from different viewpoints of an object.

We also used mixed medium to create our bumble bee artwork. We used bubble wrap to create the effect of the beehives, black paper to create different shapes of the bee and we used yellow paper for the stripes on the bee and cellophane to create the wings.

## Preschool Newsletter Week 4

**Active Beginnings-** Our preschoolers are getting active, fit and healthy through an active movement program called Active Beginnings. Every Tuesday and Thursday our children will learn 4 fundamental motor skills such as kicking/punting, locomotion & balance, throwing and striking, catching and interception. Our children are having so much fun while developing their self belief, confidence and resilience through play in a safe and positive environment.

Click on the following link to learn more about the benefits of movement activities in early childhood and for some fun movement activities you can do at home.

<https://preschool.utahdanceartists.com/blog/movement-activities-for-preschoolers-you-can-do-at-home/>

**Mothers Day-** This week our preschoolers also got to create their own special gift for someone special in their lives. They carefully selected a special gift from the mother's day stall and also worked hard to create their own special gift at preschool. We hope all our mums, grandmothers, sisters and aunts have a very special day this Sunday.

**Anzac Day-** Look at the beautiful poppies the children made this week for Anzac Day. They used a variety of mediums such as paint sticks, crepe paper, buttons, patty pans and paddle pop sticks to create a variety of poppies.

**Snail Findings-** This week, our children explored their outdoor garden as they noticed many snails eating our leaves! They started collecting it, comparing the size and pondered what it needs to eat to stay alive. The children then suggested making a home for our snails that we collected. This allowed them to connect to their natural world as they showed growing appreciation for their natural environment and living things.

# Lansvale Sport Legends 2022

On Thursday the 5th of May, students from Years 3-6 strolled down to Hartley's Oval for the annual Lansvale PS Cross Country Carnival. Students proudly represented their Sport Houses as they ran, jogged or walked the damp, soggy (but safe) track. Every student attempted the race, which is an amazing effort. The top 6 students from each age group will represent our school at the Lansdowne Zone Cross Country Carnival on the 1st of June 2022. We can't wait to see how they challenge themselves over the 3KM track. The staff are very proud of every student that participated today and can't wait to see how they improve in 2023. It was a very close competition and at the end of the day, Cuthbert won the Cross Country Carnival.

## Lansvale PS Cross Country 2022

This year was the first time that Challenge2Bfit set up an inflatable obstacle course as one of the events at the Cross Country Carnival. The course was engaging, challenging and most importantly a whole lot of fun. The students had a blast! Challenge2Bfit will be back for our 3-6 and K-2 Athletics Carnivals later in the year.

**A huge shout out to Miss Michelle Le and the Cross Country team for organising an incredible event for our students.**

**Another huge shout out to the P&C who organised a canteen for the event.**

## A message from your Coordinator

Hello OSHC Families and School Communities,

Welcome back to Term 2.

The term has started off with the activities being interesting. Part of the ANZAC celebrations we made ANZAC cookies without using an oven as we don't have access to one. The cookies proved to be a hit and one of our parents tried it and was amazed by the flavours. I had my assistant Shahina to lead the activity. This was the very first time that she actually made a dish in the service. This week Shahina will learn with the children to make some of their favourite dishes!

Last Thursday the senior children were at the Cross Country Run. When they came back they told the group some of the things that had happened at the event. This opened the conversation of how to prepare before an event of physical activity. The conversation proved to be very informative that as a result this week's program will be focussed on this very topic.

This week the CEO of Camp Australia Warren Jacobson will be talking to all of the Coordinators and Executive staff at Lansvale Public School. This is something that

## Self-care for parents

Parental self-care is **anything parents intentionally do to look after their own health or wellbeing**. It includes doing things like eating well and staying active. It also includes taking time to relax and recharge. Examples might include taking a break outdoors, chatting with a supportive friend, or watching a movie.

At Lansvale Community Centre we are providing support for families by facilitating a **Parent Dietitian Workshop** in partnership with FWHC in our Outreach Program on **Monday 6 June 2022 from 9am to 11am**. If you are interested in a 1 on 1 session, please contact Rose Raslan 9724 5252 or [rose.raslan@det.nsw.edu.au](mailto:rose.raslan@det.nsw.edu.au). (Please see flyer below)

We all know the benefits of staying active, so we are currently running a Mum & Bub Fitness group every Tuesday from 2pm. If you are interested just come along to the Hall with your comfy shoes, water and towel to enjoy a great workout session. (Please see flyer below)

Lansvale Public School Outreach Centre is hosting a Parent Workshop on Eating Well.

**All parents and family are invited to attend on Monday 6 June 2022 at 9am to 11am.**

The dietitian is Renee from FWHC will be facilitating the workshop. The program includes an hour interactive workshop followed by a 1:1 individual session.

Please contact Rose Raslan to book a time for an individual session.

## Free Mum & Bub Fitness

For Parent Café this term we will be staying active with The Body Project Program in the Hall from 2pm sharp.

Please bring a bottle of water, towel and wear comfortable clothing.

If you have children aged 0 to 5 years old and would like to participate in our supported playgroups please come and see Rose Raslan, Theresa Ngo and Lee Ly every Monday & Tuesday at the front office at the Community Table or you can call on 9724 5252.

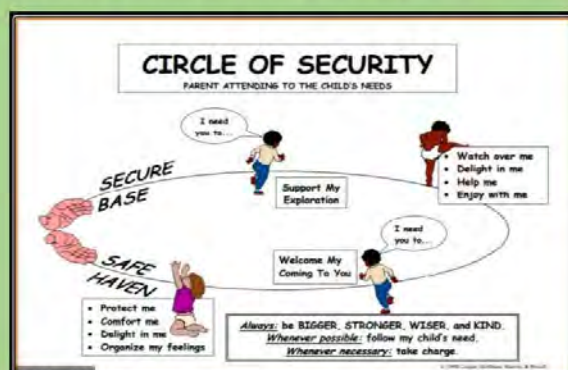

To ensure safety of all students, parents and staff we follow Covid safe measures.

# Parenting Workshops

## *Expression of Interest for Circle of Security Parenting Program.*

The Circle of Security Parenting Program is an attachment-based parent education program that helps parents better understand and build on their relationships with their children. This program helps support their child's ability to successfully manage emotions. Enhance the development of their child's self-esteem.

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Using the COSP™ model developed by the Circle of Security originators, our trained Facilitators work with parents and care-givers to help them to:

- Understand their child's emotional world by learning to read emotional needs
- Support their child's ability to successfully manage emotions
- Enhance the development of their child's self esteem
- Honor the innate wisdom and desire for their child to be secure

If you would like to register or more information, please contact Rose Raslan via the office on 0433 155 654 or [rose.raslan@det.nsw.edu.au](mailto:rose.raslan@det.nsw.edu.au).

## P&C Mother's Day Stall & Cross Country Canteen

Thank you to all the P&C volunteers that helped out with the Mother's Day Stall and the Cross-Country Canteen. Both events were fun and successful. Please attend our upcoming P&C meeting for more information about money raised.
