Newsletter

12th December 2023 Week 10

Principal Report

= Term 4, Week 10

Dear Parents/Carers,

Thank you to our entire community for another wonderful year of learning. We have achieved so much together this year and I'm so proud of every single student.

Are you moving elsewhere for 2024?

We are finalising 2024 classes. In order for us to be up-to-date with enrolments and staffing, we ask that families with students in Kindergarten to Year 5 who already know they will not be returning in 2024 to inform the school via phone call, note or email as soon as possible.

Student Reports - Sentral - Parent Portal

Student reports have been published on our Parent Portal, therefore, it is imperative that every family member joins our new application.

If you need any assistance then please contact our school office.

How to register

Kindergarten and Preschool 2024 Enrolments

It isn't too late to join our wonderful school in 2024. If your child turns 5 before 31st July 2024 you are able to request an enrolment application from the school office for Kindergarten. All families within our school intake area will be accepted, provided all documentation is submitted. Families can also complete their initial enrolment application online via our school website at <https://lansvale-p.schools.nsw.gov.au/>

If your child does not live within our **intake area**, visit **out-of-area enrolment**. Out-of-area **enrolment procedures** are subject to the department's enrolment policy.

Children attending our preschool this year will still need to follow the same enrolment procedures if they wish to enrol at Lansvale Public School.

Principal's Message...continued

LANSVALE LEGENDS

On Wednesday 13th December we celebrated our annual Legends Day. This was to reward our students who have earned enough Lansvale Learners throughout the year.

Congratulations to those students and a big thank you to the P & C for yet again donating a prize to every child who will attend. Thank you to our office team and Mrs Goulton for coordinating this event.

FUN Day

Thank you to our amazing staff for all of their fantastic work in making Fun Day an amazing day. We had showbags, sausage sizzle, rides and it was so great to see our families back onsite celebrating with our students!

DIAMOND Party

On Monday 11th December we celebrated the Diamond Party. On this day all students who had achieved their Diamond Chart were able to enjoy a movie and each child was treated to a packet of popcorn and a popper. Thank you to our amazing office staff and Mrs Geadeh for assisting with this day and ensuring it was a success.

End of Year Award Presentation Day

On Monday 27th November we celebrated our annual Presentation Day. A huge thank you to Mrs Mallios, Miss Tu and the wonderful presentation day team in coordinating this fabulous event.

All students have achieved so much this year. We are so proud of all of our students.

Kindergarten Orientation and Transition

We were so pleased to be able to welcome our new 2024 Kindergarten and Preschool children onsite for their orientation. It was fantastic to be able to show children the Preschool and Kindergarten classrooms. A big thank you to Ms Ng, Mrs Lien and the entire Kindergarten and Preschool teams for all of their hard work in putting these sessions together.

Principal's Message...continued

2023 SCHOOL LEADERS

A huge thank you to our fabulous 2023 school leaders; Kathy, Kristina, Phuoc and Alex. You have been absolute super stars. Congratulations on all that you have achieved, and we wish you all the best for the future.

P & C – Thank you

Our school would not be able to run as many events if it was not for the support of our amazing P & C. Last week we held our annual 'Thank you' morning tea where we were able to thank all of our extremely dedicated volunteers. A special thank you to the P & C executive led by our President Mrs Rayan Haidar for their tremendous work throughout the year. Thank you for always supporting our students.

Como Public School

In Week 7 our Problem Busters visited Como PS as we have been working closely with Como PS throughout Semester 2. Both of our schools have been working on a similar project focused on supporting our High Potential and Gifted Students in the social and emotional domain. Our Problem Busters demonstrate leadership skills whilst on the playground as they problem solve minor playground issues. It was great to see our two schools connecting and building strong relationships together.

Calendar

Take a look at some of our events over the next few weeks!

When	What is on?
Term 4, Week 10	
Monday 11 th December	Diamond Party
Tuesday 12 th December	Year 6 Farewell
Tuesday 12 th December	Cabramatta HS extension Mathematics Program
Wednesday 13 th December	LEGENDS Party
Friday 15 th December	Last day of school for 2024
2024	
Term 1, Week 1	
Week 1 – Thursday 1 st February	1 st day of school for students in Years 1-6
Week 1 – Thursday 1 st February	Best Start Kindergarten commences (see individual time)
Term 1, Week 2	
Week 2 – Wednesday 7 th February	1 st day of school for students in Kindergarten

2024 Starting Date

In order to support a strong start to 2024, there are two School Development Days (SDD) at the beginning of Term 1, 2024.

For Term 1, 2024, School Development Days are scheduled for Tuesday 30th January and Wednesday 31st January. This means **all students in 1-6 return to school on Thursday 1st February 2024**. Our new 2024 Kindergarten students will complete the Best Start assessment in this week and **all Kindergarten students will then begin school on Wednesday 7th February 2024**.

FAREWELL TO STAFF

Many of our staff have successfully obtained permanent and/or promotion positions and sadly will be leaving Lansvale PS in 2023.

Miss Claire Carradice has been appointed to Wahroonga PS. Miss Carradice has been at Lansvale PS for over 5 years and during this time she has been involved in so many extra-curricular activities. Miss Carradice always puts our students. Thank you for your outstanding support and dedication to teaching and learning. We wish you all the best.

Miss Tida Chor will be taking on an assistant director role at a private centre. We are so thrilled for Miss Tida but will miss her immensely in our Preschool. Miss Tida has been instrumental in our Preschool since she started and has played a huge role in our last assessment and rating. Miss Tida always puts our children first and goes above and beyond to support our families. We wish Miss Tida all the best for the future.

Mr Malcolm Fry joined our wonderful school this year supporting our High Potential and Gifted Students in Creative Arts. Mr Fry will be teaching casually in 2024 and we wish him all the best and thank him for his support throughout 2023.

Principal's Message...continued

Mrs Chelsea Nouzad returned to our school in Term 4 after maternity leave. Mrs Nouzad has been supporting our EALD students and has been instrumental in establishing strong EALD structures throughout Lansvale PS. Mrs Nouzad will be teaching casually in 2024 and we wish her all the best and thank her for her support throughout 2023.

Miss Mia Reading completed her practicum at our school this year and then joined us in a casual teaching capacity. Miss Reading has successfully gained a position at Mardsen Road PS in 2024 and we wish her all the best.

Miss Jennifer Quach completed her practicum at our school this year and from Term 3 she started teaching Class 1/2 Lake Hillier. Miss Quach has been a wonderful support throughout 2023 and her dedication and passion for teaching is infectious. Miss Quach has been appointed permanently to Denham Court PS in 2024 and we wish her all the best.

Miss Sasha Buck is one of our dedicated School Learning Support Officers who has been supporting many students at Lansvale PS. We thank Miss Sasha for her continued support of our students and for always going above and beyond. Miss Sasha will be working casually in 2024 and we wish her all the best.

Miss Sally Pang is one of our dedicated School Learning Support Officers who has been supporting many students at Lansvale PS. We thank Miss Sally for her continued support of our students and for always going above and beyond. Miss Sally will be working casually in 2024 and we wish her all the best.

THANK YOU

2023 will be remembered for so many reasons. I'm so proud of our students, staff and community for all that we have achieved this year.

Our amazing SAS staff have gone above and beyond to support staff, students and families each and every day and we truly would be lost without them.

Thank you to our incredible teachers and the executive team who have worked so hard this year to ensure that all of our students have achieved success.

To our amazing P & C led by our President, Rayan thank you for all that you do to make Lansvale Public School a great school. You have been absolutely amazing in your support this year and I am so grateful. Please make sure you rest over the break and be ready for another fabulous year in 2024!

Finally, to our amazing students of Lansvale Public School, I am so proud of everything you have achieved this year. Your resilience, hard work and kindness has really shone through. I wish our Year 6 students all the best for high school and we can't wait to welcome everyone back in 2024.

Merry Christmas and Happy New Year.

Lansvale Public School

Preschool Newsletter Week 10

Preschool concert

Preschool showcased their singing and dancing talents during our annual Christmas concert. Thankyou to all our families who catered for the event with delicious party food. The children were so excited they got to meet Santa and even more excited when they made it on Santa's good list.

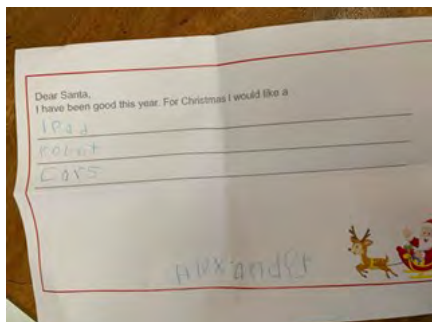

Child Safety

We completed our body parts lesson where the children learnt the names of the male and female body parts. We spoke about it being private and that no one has the right to touch and photograph their private parts.

Letters to Santa

Our children have been so busy writing letters to Santa, telling him how good they've been all year. Popular this year is lego, Ipads and Iphones and squishmallows. They are looking forward to receiving their presents from Santa soon.

Chancery Street, Canley Vale NSW 2166

 Website www.lansvale-p.schools.nsw.edu.au

Lansvale Public School

Sydney Zoo

Our preschoolers also enjoyed their first excursion to Sydney zoo this term. We enjoyed a fun bus ride with our families and classmates. When we got there, we engaged in Aboriginal cultural activities which included looking at artifacts and singing and dancing to traditional Aboriginal music. We then had an opportunity to explore the zoo and saw many animals.

Multicultural Day

Our preschoolers also took part in Multicultural day. We all got dressed up in our traditional costumes before taking part in rotation activities which included making flags, Vietnamese dancing, drawing Aboriginal symbols and traditional stories. Thank you to all the parent volunteers for giving up their time to run these activities .

Assessment and Rating

Our preschool underwent a rigorous assessment and rating process and we are pleased to announce that we have achieved a rating of exceeding which is the highest rating a service can get. Congratulations to the preschool team for all their hard work and dedication .

Merry Christmas

It has been such a pleasure working with all our families and children throughout this year. We wish you all the best next year and whether you are starting kindy at Lansvale or somewhere else, our doors are always open for you to visit. Preschool wishes everyone a Merry Christmas and a happy holiday season.

Lansvale Public School

"A PROUD Public School"

Weeks 9 & 10 PBL FOCUS

Be **respectful** to our teachers, Problem Busters, students, parents and families.

Why be mean, disRespectful and rude?

Just be kind and respectful and drop the attitude.

Respect your teachers and the Problem Busters,

Respect all students of different cultures.

Respect yourself and respect all others,

Respect your dads and especially your mothers.

Showing respect is an easy thing to do,

If you Show respect to others,

They'll respect you too.

PROBLEM BUSTERS

Meet our amazing Problem Busters from 6L & 6T
These Year 6 students are volunteers who have given up their
Lunch and Recess to be peer mediators on the playground.
Thank you for your hard work!

Lim 6L

Naro 6L

Helen 6L

Grace 6L

What is one advice you will give to the future Problem Busters?

Lim: always help out around the school. Encourage other students to show PROUD behaviours

Naro: you will have the opportunity to help and motivate people.

Helen: always show great attitude whilst being on duty. Be a role model and arrive on time.

Grace: Problem Busters allows you to build confidence and the opportunity to help others.

PROBLEM BUSTERS

These Year 6 students are volunteers who have given up their
Lunch and Recess to be peer mediators on the playground.
Thank you for your hard work!

Andy 6T

Phuc 6T

Tin 6T

What is one advice you will give to the future Problem Busters?

Andy: Problem Busters can help you learn from other people's mistakes.

Phuc: Opportunities open doors, take these opportunities and you can be successful.

Tin: Be responsible, be on time and be respectful to others.

PROBLEM BUSTERS

Meet our amazing Problem Busters from 6L & 6T
These Year 6 students are volunteers who have given up their
Lunch and Recess to be peer mediators on the playground.
Thank you for your hard work!

Lawson 6T

Trina 6T

Oscar 6T

What is one advice you will give to the future Problem Busters?

Lawson: It can help you learn and make you a better person.

Trina: Be PROUD!

Oscar: Be responsible and do your job correctly.

Year 5 Literacy and Numeracy Groups Mrs Stamoulis

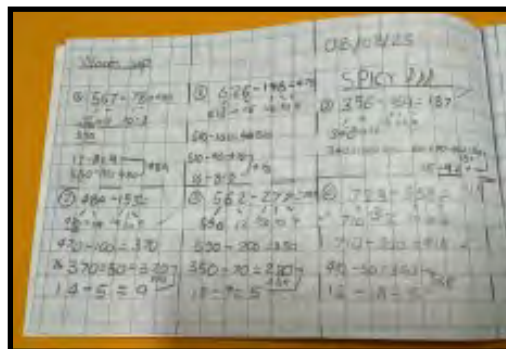

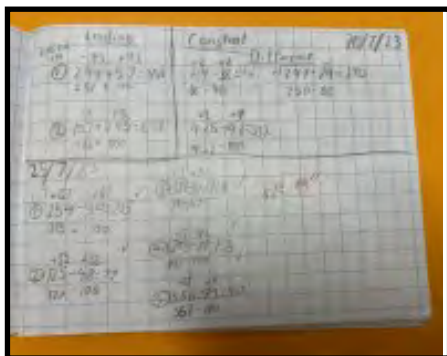

My Year 5 Literacy groups were designed to enhance fundamental reading skills and to elevate comprehension to new heights. Students were learning about inferential reading, a crucial skill that goes beyond the surface of the text. It involves making connections, drawing conclusions, and understanding how to read between the lines. I have been guiding students through thought-provoking texts, encouraging them to explore characters' motivations, analyse plot developments and make predictions based on evidence. Through engaging discussions and activities, my Year 5 students improved in reading comprehension.

During my Numeracy groups, my Year 5 students became better mathematicians through the exploration of additive strategies. They understood that mathematics is not just about numbers but also about problem-solving and critical thinking. From hands-on activities to interactive problem-solving sessions, my students developed their addition and subtraction skills.

From Mr Mangraviti

Additive strategies in Numeracy

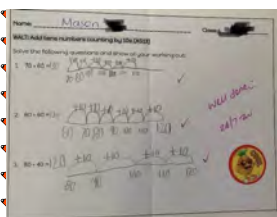

- I have loved working with Year 3 and Year 4 students in term 3 for Numeracy.
- Our wonderful mathematicians have been making remarkable progress so far, all focusing on using a range of addition and subtraction strategies to solve 2 and 3-digit problems. Warm-up and cool-down games are a regular feature, which always allows the students to practise their skills mentally.
- In term 3, students have been mastering flexible and efficient methods such as levelling, constant difference and regrouping. The students seem to think these strategies are superpowers with how easy they are to use! It was amazing to see so many students progress in solving a range of additive problems. I am so proud of these clever learners for always displaying such great enthusiasm and diligence towards their development in mathematics.

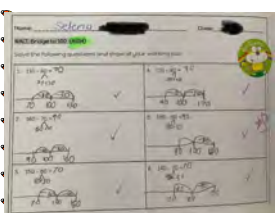

Numeracy Groups with Mrs Narli

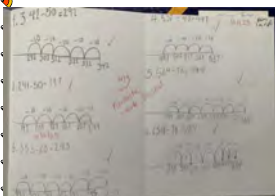

This semester, stage 1 and 2 students developed their knowledge of flexible strategies when solving addition and subtraction problems involving 2- and 3-digit numbers. During the sessions, students selected cards to generate their own numbers, which is important for developing their mathematical understanding. This helped boost student engagement, enhancing their overall learning experience. Overall, I am incredibly proud of the remarkable progress that the students in my numeracy groups have made.

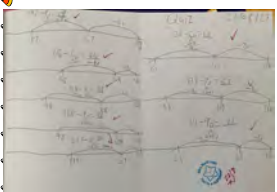

Mason learned to add and subtract tens numbers by counting by 10s. He utilised a number line to assist him in counting both forwards and backwards by 10s on the decade, identifying which digit changes and understanding the reasons behind it.

Selena investigated adding and subtracting tens numbers, bridging to 100. She demonstrated her understanding of this strategy using place value, allowing her to avoid counting by 10s.

Jessica investigated the addition and subtraction of decade numbers and 2- and 3-digit numbers by counting by 10s off the decade. She used her own cards and was able to demonstrate her understanding of this strategy.

Alicia investigated adding and subtracting decade numbers and 2- and 3-digit numbers, bridging to 100, using her own cards. She used place value and a number line to solve problems, allowing her to avoid counting by 10s.

From Mrs Allen

During Term 4, **Year 1 students** have been using Decodable Texts to read for fluency and comprehension. Reading Groups happen four times a week in the classrooms with a small group of children, usually three or four per group. They have been reading fictional and non-fictional texts.

Children learn many reading strategies like re-reading after a correction, sounding out difficult words, finding little words in an unfamiliar word or partitioning the word into chunks.

After they have read the text individually or as a group, they are asked comprehension questions to make sure they have understood the text.

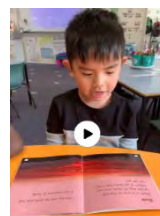

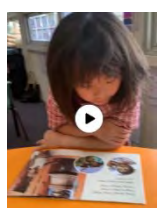

Writing a sentence or two after the lesson, helps them monitor their spelling and punctuation.

No matter what level of reading the children are at, they enjoy this activity...

Sometimes children are recorded reading a few pages from their text and this is posted on Seesaw, so parents and teachers can listen to them and note their progress..

These children planted seedlings in our garden after reading a book on gardening.

After harvesting the produce, we made vegetable fritters and wrote out the recipe. We then sold fritters to the teachers to raise money for new seedlings.

Lansvale Sport Legends 2023

Season 3, Coaches Corner

AFL - Mr H

AFL was a brand new sport for many of us this season, even the coach. During the past 10 weeks, both teams got better and better improving their skills and playing the game of AFL. Lansvale had many super talented soccer players, rugby league players, basketballers and netballers try out for the AFL team. These students were able to transfer the skills from these sports, work together as a team and have an amazing PSSA season of sport. Both teams played the season and were undefeated during the regular season. Each week we were able to kick the ball with more control to score goals and pass to team mates. We were able to successfully use handball passing and marking to gain control of the game. The skill that transferred the best was our defence. We played many games, where other teams were unable to score points.

The Lansvale Public School AFL Teams are the 2023 Undefeated Premiers!!!

I am so very proud of how each student improved over the season turning into very good AFL players. Each week, the AFL developmental officers commented on how well Lansvale played, and how quickly they were learning the skills of a new game. Well done, Premiers 2023!

Lansvale Sport Legends

2023

Season 3, Coaches Corner

T-Ball - Miss Le

Fantastic job in playing T-ball Lansvale! It was a brand new sport for many students this season and they did a wonderful job!

The 2023 T-Ball Teams have had an enjoyable season this year. Both the girl's and boy's T-Ball teams have demonstrated great sportsmanship, determination and team work at every game we have played.

Well done! Many of them showed commitment and enjoyed attending the morning time training sessions with the Softball teams. The T-Ball team should be proud of their hard work! They demonstrated growth in batting and fielding skills.

It was great to hear that the Girl's T-Ball team made it to the Semi Finals. We were very excited!

Unfortunately, we lost. The girls did a great job! I am so proud that the girls still continued to show great spirit and sportsmanship for during their hard work. Well done!

T-Ball

Boys T-Ball team

Girls T-Ball team

Semi Finals- Girls Tballl Team

Lansvale Sport Legends 2023 Season 3, Coaches Corner

Softball - Miss Hoang

A massive shout out to all the boys and girls who tried out, trained and participated in all the PSSA softball games this season! I am incredibly proud of you all, for working so hard to strengthen your batting, fielding and communication skills. For many, this is your first time playing softball.

Over the season you have all had a go at equipping yourself with a helmet and bat, ready to hit the softball as far as possible. We have won and lost games but your perseverance and determination has been evident throughout all our games. A big round of applause to you all!

Rose Raslan
School as Community Centre Facilitator

Thank you for an amazing year

To Parents and Carers

We appreciate the school community's communication with Lansvale PS to express gratitude for the fantastic work our staff has done in 2023.

We are grateful to our amazing P & C for their commitment and unwavering help all year long.

Their remarkable abilities in fundraising have enabled the children to flourish and establish a strong link with the community.

We hope that the Year 6 children and their families will find the information, caring, and support that the amazing teachers at Lansvale PS have given them useful in their future ambitions when they enter high school.

We are grateful for our staff members that go above and beyond to make sure our kids learn.

The students at Lansvale PS are resilient, upbeat, confident, and joyful because of your enthusiasm and dedication to helping them achieve their best.

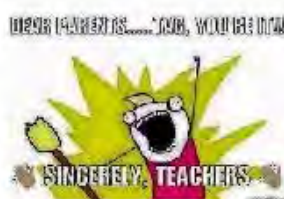

Theresa and I wish you a Merry Christmas and a safe holiday season as 2023 ends. Cherish this unique moment spent with your dear ones.

We eagerly await the 2024 academic year to begin.

Sincerely,

Rose Raslan
